

LSQA

LSQA S.A. awards a certificate to:

Colegio Ingenieros Tecnólogos CITEC

Address: 125 m oeste del POPS Curridabat, Contiguo al Indoor Club, Curridabat, SanJosé. Costa Rica.

Certification scope:

Promote the excellence and prestige of its members in their specific engineering discipline through:

- Recognition of professionals who graduated from TEC by registering them as members of the Association of Technological Engineers.
- Representation of CITEC and its members in a strategic, technical, and professional context.
- Defense of the Professional Practice, with emphasis on ethics and strict adherence to current regulations.
- Review of standards, regulations, and documents of interest to each engineering discipline.
- Development and/or updating of professional development through training activities.
- Promotion of the quality of life through recreational, sports, and cultural activities.
- Facilitation of services for our members: spaces for training rooms, meeting rooms, coworking spaces, scholarships, and attention to queries.
- Administrative support to the different task forces.

The validity of this certificate will be maintained via annual surveillance audits and three yearly renewal audits.
